<b>Membership of other Flying Clubs</b>			
<b>BMFA No.</b>		<b>BMFA Qualifications</b>	

### DECLARATION AND DISCLAIMER

Having read and understood the attached '*RULES FOR THE OPERATION OF RADIO CONTROLLED MODEL AIRCRAFT FROM THE CLIFFE FIELD*', I accept these rules and agree to abide by them if my membership is approved.

I understand that, by the Constitution of the Club, the Committee has the power to suspend a member for up to three months and that membership may be terminated on the authority of a Special General Meeting.

I understand that instruction will be provided, without charge, by volunteer instructors who are skilled model pilots, and who have undertaken to operate my model as safely and responsibly as possible whilst providing me with instruction.

I agree that Gravesend Aeromodelling Club, its officers and instructors, will not be held to blame, in any way whatsoever, in the event of accidents involving damage to, or loss of, models or property, personal injury or loss of life resulting from the operation of my model aircraft, regardless of whether the model was under the control of the pupil or the instructor at the time of the accident.
